<http://www.enchantedlearning.com/subjects/rainforest/>

Contains maps, some brief information on layers of forest but this is not great for pictures. The text is accessible for the children though. Watch out for ads!

<http://www.srl.caltech.edu/personnel/krubal/rainforest/Edit560s6/www/whlayers.html>

Good description and pictures of rainforest layers. Contains a good map and descriptions of rainforest areas - with photos

<http://www.tropical-forests.com/>

Lots of great images - suitable for able readers

<http://www.eduweb.com/amazon.html>

Some useful material but an American site so biased towards the US user. Better for the able reader

http://www.usborne-quicklinks.com/uk/uk_entity_pages/uk_select_link.asp?lang=uk&lvl=2&id=2059&From=22&To=23

A selection of links (these may change with time). At time of publication, linking to a range of appropriate games, interactive and information sites

<http://library.thinkquest.org/26252/index1.htm>

Interactive site, lots of info including types of rainforests, locations, layers, flora & fauna, information on specific animals.

Suitable for able readers

http://www.nationalgeographic.com/features/00/earthpulse/rainforest/index_flas.html

Explore Borneo jungle at night. Contains specific information about animals found there

<http://science.howstuffworks.com/rainforest1.htm>

General information - easy to read

<http://www.ran.org/>

Very detailed, lots of facts, information on environmental damage due to destruction

<http://www.rain-tree.com/facts.htm>

Detailed info on many aspects including medicines, destruction and farming. Not many pictures

<http://rainforestheroes.com/help-save-rainforests/>

Lots of photos, info and links to other sites

<http://rainforestheroes.ran.org/help-save-rainforests/7-steps-kids-can-take/>

Actions kids can take to prevent destruction of rainforest

<http://www.bbc.co.uk/nature/programmes/tv/wilddownunder/virtual01.shtml>

Nice photos and information about different animals that live in Australian rainforest - features cassowary bird as appears in 'Where the Forest Meets the Sea'

Can also try <http://www.wikipedia.org/wiki/Rainforests>

Useful overview of rainforests
