Stegosaurus Shakes

Strawberry Shake

You will need:

- 1 cup milk
- 6 scoops strawberry ice cream
- 2 tablespoons sugar
- $\frac{1}{2}$ teaspoon vanilla extract
- 1 tablespoon whipped cream or aerosol cream, optional
- Fresh strawberries, sliced, optional

What you need to do:

1. Blend the milk, strawberry ice cream, sugar and vanilla extract together in a blender until smooth.
2. Pour into glasses and decorate with whipped/aerosol cream and fresh sliced strawberries.
3. Enjoy your Stegosaurus Shakes!

Vanilla or Chocolate Shake

You will need:

- 3 scoops vanilla or chocolate ice cream
- 1 $\frac{1}{2}$ cups milk
- 2 teaspoons sugar
- 1 tablespoon vanilla extract
- 1 tablespoon whipped cream or aerosol cream, optional
- Grated chocolate, optional

What you need to do:

1. Blend the milk, vanilla or chocolate ice cream, sugar and vanilla extract together in a blender until smooth.
2. Pour into glasses and decorate with whipped/aerosol cream and grated chocolate.
3. Enjoy your Stegosaurus Shakes!
